

EU DECLARATION OF CONFORMITY – REACH SVHC, PFAS, POP, WFD and PPWR

Dear customers,

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18.12.2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC came into force by 01.07.2007.

Company **CRT ELECTRONIC s.r.o.** is within the meaning of regulation REACH „**downstream user**“ and is not directly responsible for registration of chemical substances.

According to Article 33 of the REACH regulation, CRT ELECTRONIC s.r.o. is obligatory for products containing:

- substances of very high concern (SVHC) – carcinogenic, mutagenic and toxic for reproduction (CMR)
- substances containing Perfluorinated and polyfluorinated alkyl sulfonates (PFAS)
- substances containing Persistent Organic Pollutants (POP), which are regulated worldwide by the Stockholm Convention, the Aarhus Protocol and Regulation (EU) 2019/1021 of the European Parliament and of the Council of 2019.

in a concentration greater than 0.1% weight by weight (w/w), provide the recipient of the product with sufficient information available to the supplier to enable him to use the product safely, including at least the name of the substance.

The current list of SVHCs – CMRs, PFAS and POPs is at <https://echa.europa.eu/web/guest/candidate-list-table>

In order to meet the requirements of regulation REACH, we keep very close contact with our suppliers and manufacturer of materials, which we use for manufacturing process of products.

If we obtain information from our suppliers about presence of SVHC substances - CMR a PFAS and POP in concentrations higher than 0.1% (w / w) in the materials used in our products, we will publish information on these products

E. DECLARATION OF CONFORMITY PPWR

CRT ELECTRONIC s.r.o. hereby declares that, to the best of our current knowledge and based on information provided by our suppliers, the packaging materials used for the delivery of products are managed in accordance with the applicable requirements of **Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)**.

CRT ELECTRONIC s.r.o. continuously assesses and verifies compliance-related information received from its suppliers and business partners. Suppliers are required to provide accurate and up-to-date declarations, technical documentation and statements of compliance concerning the packaging materials they supply. Such information is reviewed and maintained as part of our supplier management and regulatory compliance processes.

We continuously monitor legislative requirements relating to packaging, recyclability, material composition and environmental compliance and cooperate with our supply chain partners to ensure compliance with applicable regulatory requirements.

Where packaging materials are sourced from external suppliers, compliance information is obtained and retained through supplier declarations, technical documentation, certificates and other available supporting evidence.

This statement does not constitute an independent certification of compliance and is based on the information currently available to CRT ELECTRONIC s.r.o., including information and declarations provided by its suppliers. While reasonable measures are taken to verify the accuracy of such information, CRT ELECTRONIC s.r.o. cannot accept responsibility for inaccuracies, omissions or subsequent changes in data provided by suppliers.

Should any additional information or specific documentation concerning packaging be required, we will review the request and provide the information available to us, where relevant.

F. STATEMENT OF CONCERNING BATTERIES AND WASTE BATTERIES
